A NOVELTY FOR YOUR 1937 CATALOGUE

Pansy - Sakata's Giant Ruffled Orchid Mixed Colors

No novelty since our ALL DOUBLE PETUNIA is more striking than this Pansy. The enormous flowers often measuring in excess of three and one half inches are exquisitely curled and ruffled so that they are easily mistaken for double flowers. The strain covers a much wider range of soft and fairly bright pastel and orchid colors than is found in ordinary orchid flowered Pansies. Undoubtedly one of the best of all fancy shaped Pansies.

The plants are robust and compact, but having long and stout flower stems that are well suited for cutting.

Good electros are available for catalogue work. We can also arrange to supply you with very attractive color plates.

We have a number of other good novelties for resale next Fall. Your inquires on this subject are invited.
